Specified Health Event not Specifically Listed **NJ has 2 additional riders that combine:** 4. Driving under the influence 5. Use of Alcohol, Drugs, or Narcotics 6. Assault or Felony 7. Illegal Activities	Only allows a $50 benefit 3/9/2023 NJ- Health Screening Benefit rider tab is indicating remove Employer Wellness Initiative but when I look at the rider it does show employer initiatives within the benefit rider. Also the EOV in the document folder for the Health Screening rider has footer as generic. Shouldn't it be NJ specific? Per Roberta Cook 1) STATE CHANGES FOR THIS RIDER REMOVE THE EMPLOYER INITIATIVE. 2) It should of been changed to NJ, but it was not. It is however state specific. We cannot change it, since it was approved as is. NJ does not allow employer initiatives and benefit amount allowed is $50 and number of tests is 1	Not Allowed	Not Allowed	PRES-10097 - CI State Approvals/Loss Ratio for NJ, WY DONE PRES-10073 - Update CI Riders by State (AK, NJ) DONE PRES-10255 - CI State Variations Exclusions- NH, NJ DONE PRES-10284 - CI State Variations Benefits- NJ DONE PRES-13171 - MP-Grace Period DONE PRES-15282 - CI - Health Screening Rider MD, NJ, NY and TX DONE
